

Annual Meeting Scandinavian Neuropathological Society

Preliminary scientific program with general assembly 2014
At IDA Mødecenter
Kalvebod Brygge 31 – 33
København

Local organizers: Bjarne Winther Kristensen and Eva Løbner Lund

Thursday 22 May 2014

- 12.00-12.15 Registration
- 12.15-13.00 Lunch at IDA Mødecenter
- 13.00-13:10 Welcome and practical information by Bjarne Winther Kristensen, president, Scandinavian Neuropathological Society
- 13:10-14.00 Oral presentation of abstracts
- 14:00-14.45 "ALS investigation reveals new biological principles"
Thomas Brännström, professor, Patologi, Umeå universitet, Umeå, Sweden
- 14:45-15:00 "Proliferation markers and automated tumor cell detection"
Mikkel Rahbek, project manager, Visiopharm, Hoersholm, Denmark
- 15:00-15.30 Coffee break and exhibition
- 15.30-16.30 **KEY NOTE LECTURE:** "WHO's next - The emerging role of molecular biomarkers in brain tumor classification"
Guido Reifenberger, professor, Department of Neuropathology, Heinrich Heine University, Düsseldorf, Germany

16.30-17.30 General assembly

19.00- Dinner at a Copenhagen restaurant

Friday 23 May 2014

08:00-09:00 Oral presentation of abstracts

09:00-09:45 "Glial cell regulation of neuroinflammation"

Trevor Owens, professor, Department of Neurobiology, Inst of Molecular
Medicine, University of Southern Denmark, Denmark

09.45-10:00 Breakfast buffet

10.00-11.00 Patrick Sourander Memorial Lecture

11.00-12.00 Case presentations

12.00-13.00 Lunch at IDA Mødecenter
